

Horizon Fraud Management

For more information on Fraud Management you should view our [Horizon Fraud Management Service Description](#).

Setup / Amend Fraud Management

Step 1

From the Gamma Portal, go to “Provisioning and Service Management”, “Hosted”, “Horizon” and “Horizon Manage Company”.

Step 2

Find the company that you wish to add sites to using the Actions drop-down down select “Manage Company”

	Company Name	Reseller ID	Domain	Main Site	Contact Name	Contact Email	Actions

Step 4

You can change the settings of your Fraud Management service for your Horizon Company.

From here you can switch Fraud Management On or Off and select your daily spend limit (defaulted to £500).

In the "Warning (%)" text box enter at what threshold you'd like us to send a warning text/email out (defaulted to 70%).

If you want to set up Fraud Management and have it go to multiple email addresses you can do this by separating the email addresses with a semi-colon. For example, richard.james@gamma.co.uk; roy.farrow@gamma.co.uk; portalfeedback@gamma.co.uk
