

Horizon Numbers & Porting

Please see our [Gamma Numbers & Porting](#) guide for full information on how to manage your numbers and bring numbers to the Gamma network.

Adding new numbers to your Horizon Company

This is a guide that shows you how to add the next available numbers Gamma have in a particular area code.

Step 1

From the Gamma Portal, go to “Provisioning and Service Management”, “Hosted”, “Horizon” and “Horizon Manage Company”.

Step 2

Find the company that you wish to add sites and use the Actions drop-down to select “Manage Numbers”

	Company Name	Reseller ID	Domain	Main Site	Contact Name	Contact Email	Actions

Additional Ranges:

Specific Geographic Number Selection

If you would like to search for a specific geographic number then you can Gamma Number Search under Help and Support on the Gamma Portal. This will allow you to search for new available numbers and also view numbers currently allocated to your account that are not in use.

Removing numbers from your Horizon Company

You can only remove a number if it is no longer assigned to a site and the number is owned by Gamma.

Step 1

From the Gamma Portal, go to “Provisioning and Service Management”, “Hosted”, “Horizon” and “Horizon Manage Company”.

Step 2

Find the company that you wish to remove numbers to using the Actions drop-down select “Manage Numbers”
