

# Configure Manage My Mobiles Portal

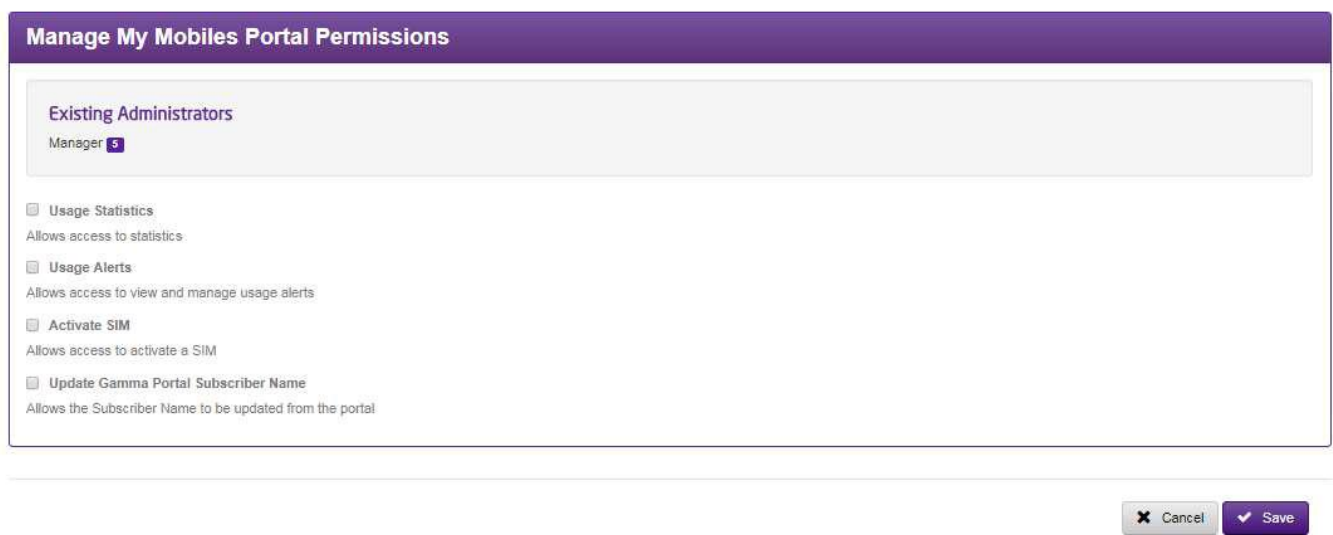

Within the actions tab on the Company Management page you have the option to configure Manage My Mobiles portal.

The screenshot shows the 'Company Management' interface. At the top, there are search filters for Partner Account, Company Name, Contact Email, Contact Name, Manage My Mobiles portal Status, Records Per Page, and Max Results Returned. Below the filters is a search bar and buttons for '+ Add' and 'Download'. A table displays a list of companies with columns for Account Name, Company Name, Contact Name, Contact Email, Manage My Mobiles Portal Status, and Action. The 'Action' column for each row has a dropdown menu. One of these menus is open, showing options: Edit, Delete, View, Login to Manage My Mobiles portal, Configure Manage My Mobiles portal (highlighted with a red arrow), and Cease Manage My Mobiles portal. The table shows 13 records, with the first few visible.

On clicking this you will have the option to manage what your customer will be able to see/manage on the Manage My Mobiles portal.

## Configure Manage My Mobiles portal MMMTTest1

The screenshot shows the 'Manage My Mobiles Portal Permissions' configuration page for 'MMMTTest1'. The page has a purple header with the title. Below the header, there is a section for 'Existing Administrators' which lists 'Manager 5'. Underneath, there are four permission checkboxes, each with a description: 'Usage Statistics' (Allows access to statistics), 'Usage Alerts' (Allows access to view and manage usage alerts), 'Activate SIM' (Allows access to activate a SIM), and 'Update Gamma Portal Subscriber Name' (Allows the Subscriber Name to be updated from the portal). At the bottom right, there are 'Cancel' and 'Save' buttons.
