

# Notifications

Here you can view and manage all of your notifications.

You can filter your notifications by the following -

- Use the **Search notifications** section to filter via free text
- Filter by level of notification priority using the first (**All Priorities**) dropdown menu
- Filter by status with the middle (**All Status**) dropdown menu
- Choose a relative time to display using the third (**All Time**) dropdown menu

You can quickly mark all of your new notifications as read by clicking the button in the top right of the screen.
